Pastor's Message:

I offer to you the following suggestions and questions flowing out of the readings of today.

1. Do you pray to God the Holy Spirit? *Come Holy Spirit as I work today, and in all my activities today. Fill me with you. Mold me. Enlighten me. Use me.*
2. The apostles in the upper room had fear before the coming of the Holy Spirit. If you have fear or anxiety, turn it over to the Good Shepherd who is pure gentleness.
3. The power of forgiveness given through the apostles in the gospel passage is about building right relationships. If you have concerns in relationships, do you find a trusted mentor, and find ways to resolve and grow with others?
4. In this parish, the Holy Spirit is working marvelous ways. The real power in our liturgies does not come from us, but the Holy Spirit. We add our individual parts. We are not spectators.

Each time at prayer do you decide what specific and detailed action you will carry out?

God Bless you,

Father John

JULY 4TH PICNIC

JULY 4TH PICNIC - Everyone is asked to complete a picnic signup sheet this weekend at Mass, following communion, and return it to the ushers when the basket is passed. This is one of our traditions that we must pass on to the youth of our parish. New parishioners, this is a great opportunity to get to know members of the parish and take part in a tradition that dates back over 100 years! This is one of our major fundraising efforts, with profits being put in the general fund. All help is appreciated.

THERE WILL BE A PICNIC MEETING next Sunday, June 11, following the 10am Mass. Please attend to offer your help and share your knowledge.

PICNIC RAFFLE TICKETS will soon be available. Prizes will include the Florida vacation, handmade quilt, and a plane tour of the area.

Due to a set of unexpected and unfortunate circumstances I feel it is necessary for me to step aside as one of the co-chairs for this year's 4th of July and Labor Day picnics. This is my decision and has nothing to do with St. Michael's Church or its members. I just cannot put the effort into this great tradition of ours that it deserves. Please continue to support Steve and help out where you feel you can.

Respectfully,
Matthew Connolly

SCIENTIFIC DISCOVERIES over the last 50 years have found overwhelming evidence of incredible intelligence behind the design of living organisms and of the universe. Dr. Joe Mokulis will offer a course on intelligent design on Tuesdays from 6-7:30 PM June 13 to July 25 in the St. Joseph Parish Hall. Example topics include the finding of molecular machines inside of cells, what does the fossil record show us and fine tuning of the universe. After the course you will likely say, "I always knew God was awesome, but I had no idea He was THAT AWESOME!"
